

VISION COLLISION

Lifetime Warranty

Vision Collision provides this lifetime warranty on all repairs relating to the current loss. It will apply to all items originally repaired-- for as long as you own the vehicle. This warranty shall cover defects occurring under normal conditions. Damage caused by accidents, negligence, abuse, misuse, exposure to elements, or paint chipped by driving conditions shall not be covered under the scope of this warranty.

Other exclusions include: sublet work as listed on the repair order, tires, batteries, mechanical parts, wiper blades, oils, and air conditioning; however, these items may be covered by the respective manufacturer's warranties.

Vision Collision warrants its paint for the life of the vehicle against: cracking, checking, loss of gloss caused by hazing, chalking or fading, peeling and blistering caused by moisture, provided the refinishing is done over original undamaged factory finishes or over original equipment manufacturer replacement parts. Rust related conditions shall not be covered. Stone chips will not be covered.

It is understood that all repairs will conform to generally accepted industry standards in use at the time your repairs are completed. Vision Collision reserves the right to correct any problems found with the repair, before paying to correct or replace any items found to be inferior in quality or workmanship.

Vision Collision will at its option, correct, replace, or pay to replace any work found to be inferior in quality or workmanship at no cost to you, our valued customer. Should any questions arise concerning this warranty, Vision Collision will need to be informed of the nature of the problem, so it may be corrected. In the event of a claim this warranty must be presented with a copy of the corresponding repair order.

Vision Collision reserves the right to determine the manner and method by which any warranty repairs/work are performed. No warranty work will be performed or authorized prior to a review by our management team.

If you so desire, we will assist you in handling the claims of other manufacturer's products installed by Vision Collision.

Vision Collision Center shall not be responsible for loss of use, loss of time, inconvenience, towing, rental, lodging, loss of wages, or loss of business, or any other incidental or consequential damages.
